AITEX, Notified Body No. 0161 for the application of Regulation (EU) 2016/425 of the European Parliament and of the Council of 9th March 2016, in which the essential health and safety requirements that Personal Protective Equipment (PPE) must comply with.

CERTIFIES The Company:

HexArmor 640 Leffingwell Ave NE US-49505 Grand Rapids

United States

As a manufacturer

CERTIFICATE No. 23/6444/00/0161

Has obtained EU TYPE EXAMINATION in compliance with what is set out in Annex V (module B) in Regulation (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications

Designed for the protection of the palm of the user's hand against mechanical risks and for the protection of the user's hand against thermal risks, according to the following standard/s:

- EN ISO 21420:2020 Protective gloves General requirements and test methods
- EN 388:2016+A1:2018 Protective gloves against mechanical risks of abrasion (Level 1), tear (Level 4), puncture (Level 2), and TDM: cut resistance (Level D).
- EN 407:2020 Protective gloves and other hand protective equipments against thermal risks of limited flame spread (**Level 4**), and contact heat (**Level 1**).

The glove does not allow washing

Having achieved the performance requirements specified in conformity assessment report No. **2023US0248UE** and the PPE's Technical Documentation.

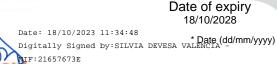

Description of the PPE:

A five-fingered glove made in green knitted fabric. It has a black coating covering entire palm. On the back, this coating covers the upper part of the fingers. The PPE is available from size XS/6 to XXXL/12.

The materials that form the PPE, are described in the conformity assessment report no 2023US0248UE.

It shall be the manufacturer's responsibility to provide specific information of this certificate and the tested levels of protection.

Category II PPE
