### Improvements:

- Printed silicone synthetic leather palm provides reliable grip in dry and light oil + fluids environments
- Sewn-on back-of-hand impact protection system utilizes an advanced design to dissipate forceful blows over a large area
- Reflective piping along the back of hand for added visibility
- Pre-curved construction, form-fitting, quality materials with reinforced thumb saddle and index finger wrap
- SlipFit® cuff with hook and loop closure for a secure fit
- Touchscreen-compatible full palm and fingers
- Available in sizes 6/XS - 12/3XL
