Proper 9000 Series™ glove care

HexArmor

By regularly washing your gloves, longevity of use is dramatically increased – keeping you and your crew safer, longer. When working a job, you can easily wash your 9000 Series™ gloves on site:

Washing instructions:

Hand wash only

Hand wash using mild semi-diluted cleaner and scrub until clean.

Rinse thoroughly.

Drying instructions:

- Hang to dry (indoors), do not tumble dry. Do not iron.
- Store in clean, dry conditions, away from direct sunlight or extreme temperatures.

**Note: The 9011 glove is not launderable*
